

STRIPED BLISS BLANKET PLANNING SHEET

option one: 6 colour stripes, 1.5m x 1.2m

your blanket diagram

Why not colour it in so you can see what your blanket will look like?

row 49: main colour	200g	1.2m
row 48: main colour		
row 47: stripe 6	100g	
row 46: main colour		
row 45: main colour	300g	
row 44: main colour		
row 43: stripe 5	100g	
row 42: main colour		
row 41: main colour	300g	
row 40: main colour		
row 39: stripe 4	100g	
row 38: main colour		
row 37: main colour	300g	
row 36: main colour		
row 35: stripe 3	100g	
row 34: main colour		
row 33: main colour	300g	
row 32: main colour		
row 31: stripe 2	100g	
row 30: main colour		
row 29: main colour	300g	
row 28: main colour		
row 27: stripe 1	100g	
row 26: main colour		
row 25: main colour	300g	
row 24: main colour		
row 23: stripe 6	100g	
row 22: main colour		
row 21: main colour	300g	
row 20: main colour		
row 19: stripe 5	100g	
row 18: main colour		
row 17: main colour	300g	
row 16: main colour		
row 15: stripe 4	100g	
row 14: main colour		
row 13: main colour	300g	
row 12: main colour		
row 11: stripe 3	100g	
row 10: main colour		
row 9: main colour	300g	
row 8: main colour		
row 7: stripe 2	100g	
row 6: main colour		
row 5: main colour	300g	
row 4: main colour		
row 3: stripe 1	100g	
row 2: main colour		
row 1: main colour	300g	
foundation chain: main colour		
1.5m wide		

the Homelea Bliss yarn you'll need (option 1)

Your main colour:

(A) Number of main colour blocks = 13

300g skeins needed for the main colour = (A) = 13

Your stripe 1 colour:

(B) Number of stripe 1 blocks = 2

100g mini skeins needed for stripe 1 = (B) = 2

Your stripe 2 colour:

(C) Number of stripe 2 blocks = 2

100g mini skeins needed for stripe 2 = (C) = 2

Your stripe 3 colour:

(D) Number of stripe 3 blocks = 2

100g mini skeins needed for stripe 3 = (D) = 2

Your stripe 4 colour:

(E) Number of stripe 4 blocks = 2

100g mini skeins needed for stripe 4 = (E) = 2

Your stripe 5 colour:

(F) Number of stripe 5 blocks = 2

100g mini skeins needed for stripe 5 = (F) = 2

Your stripe 6 colour:

(G) Number of stripe 6 blocks = 2

100g mini skeins needed for stripe 6 = (G) = 2

STRIPED BLISS BLANKET PLANNING SHEET

option two: 4 colour stripes, 1.5m x 1.2m

your blanket diagram

Why not colour it in so you can see what your blanket will look like?

row 49: main colour	200g	1.2m
row 48: main colour		
row 47: stripe 4	100g	
row 46: main colour		
row 45: main colour	300g	
row 44: main colour		
row 43: stripe 3	100g	
row 42: main colour		
row 41: main colour	300g	
row 40: main colour		
row 39: stripe 2	100g	
row 38: main colour		
row 37: main colour	300g	
row 36: main colour		
row 35: stripe 1	100g	
row 34: main colour		
row 33: main colour	300g	
row 32: main colour		
row 31: stripe 4	100g	
row 30: main colour		
row 29: main colour	300g	
row 28: main colour		
row 27: stripe 3	100g	
row 26: main colour		
row 25: main colour	300g	
row 24: main colour		
row 23: stripe 2	100g	
row 22: main colour		
row 21: main colour	300g	
row 20: main colour		
row 19: stripe 1	100g	
row 18: main colour		
row 17: main colour	300g	
row 16: main colour		
row 15: stripe 4	100g	
row 14: main colour		
row 13: main colour	300g	
row 12: main colour		
row 11: stripe 3	100g	
row 10: main colour		
row 9: main colour	300g	
row 8: main colour		
row 7: stripe 2	100g	
row 6: main colour		
row 5: main colour	300g	
row 4: main colour		
row 3: stripe 1	100g	
row 2: main colour		
row 1: main colour	300g	
foundation chain: main colour		
1.5m wide		

the Homelea Bliss yarn you'll need (option 2)

Your main colour:

(A) Number of main colour blocks = 13

300g skeins needed for the main colour = (A) = 13

Your stripe 1 colour:

(B) Number of stripe 1 blocks = 3

300g skeins needed for stripe 1 = (B) / 3 = 1

Your stripe 2 colour:

(C) Number of stripe 2 blocks = 3

300g skeins needed for stripe 2 = (C) / 3 = 1

Your stripe 3 colour:

(D) Number of stripe 3 blocks = 3

300g skeins needed for stripe 3 = (D) / 3 = 1

Your stripe 4 colour:

(E) Number of stripe 4 blocks = 3

300g skeins needed for stripe 4 = (E) / 3 = 1

STRIPED BLISS BLANKET PLANNING SHEET

option three: 1 colour stripe, 1.5m x 1.2m

your blanket diagram

Why not colour it in so you can see what your blanket will look like?

row 49: main colour	200g	1.2m
row 48: main colour		
row 47: stripe	100g	
row 46: main colour		
row 45: main colour	300g	
row 44: main colour		
row 43: stripe	100g	
row 42: main colour		
row 41: main colour	300g	
row 40: main colour		
row 39: stripe	100g	
row 38: main colour		
row 37: main colour	300g	
row 36: main colour		
row 35: stripe	100g	
row 34: main colour		
row 33: main colour	300g	
row 32: main colour		
row 31: stripe	100g	
row 30: main colour		
row 29: main colour	300g	
row 28: main colour		
row 27: stripe	100g	
row 26: main colour		
row 25: main colour	300g	
row 24: main colour		
row 23: stripe	100g	
row 22: main colour		
row 21: main colour	300g	
row 20: main colour		
row 19: stripe	100g	
row 18: main colour		
row 17: main colour	300g	
row 16: main colour		
row 15: stripe	100g	
row 14: main colour		
row 13: main colour	300g	
row 12: main colour		
row 11: stripe	100g	
row 10: main colour		
row 9: main colour	300g	
row 8: main colour		
row 7: stripe	100g	
row 6: main colour		
row 5: main colour	300g	
row 4: main colour		
row 3: stripe	100g	
row 2: main colour		
row 1: main colour	300g	
foundation chain: main colour		
1.5m wide		

the Homelea Bliss yarn you'll need (option 3)

Your main colour:

(A) Number of main colour blocks = 13

300g skeins needed for the main colour = (A) = 13

Your stripe colour:

(B) Number of stripe 1 blocks = 12

300g skeins needed for stripe 1 = (B) / 3 = 4

STRIPED BLISS BLANKET PLANNING SHEET

option four: 12 colour stripes, 1.5m x 1.2m

your blanket diagram

Why not colour it in so you can see what your blanket will look like?

row 49: main colour	200g	1.2m
row 48: main colour		
row 47: stripe 12	100g	
row 46: main colour		
row 45: main colour	300g	
row 44: main colour		
row 43: stripe 11	100g	
row 42: main colour		
row 41: main colour	300g	
row 40: main colour		
row 39: stripe 10	100g	
row 38: main colour		
row 37: main colour	300g	
row 36: main colour		
row 35: stripe 9	100g	
row 34: main colour		
row 33: main colour	300g	
row 32: main colour		
row 31: stripe 8	100g	
row 30: main colour		
row 29: main colour	300g	
row 28: main colour		
row 27: stripe 7	100g	
row 26: main colour		
row 25: main colour	300g	
row 24: main colour		
row 23: stripe 6	100g	
row 22: main colour		
row 21: main colour	300g	
row 20: main colour		
row 19: stripe 5	100g	
row 18: main colour		
row 17: main colour	300g	
row 16: main colour		
row 15: stripe 4	100g	
row 14: main colour		
row 13: main colour	300g	
row 12: main colour		
row 11: stripe 3	100g	
row 10: main colour		
row 9: main colour	300g	
row 8: main colour		
row 7: stripe 2	100g	
row 6: main colour		
row 5: main colour	300g	
row 4: main colour		
row 3: stripe 1	100g	
row 2: main colour		
row 1: main colour	300g	
foundation chain: main colour		
1.5m wide		

the Homelea Bliss yarn you'll need (option 4)

Your main colour:

(A) Number of main colour blocks = 13

300g skeins needed for the main colour = (A) = 13

Your stripe 1 colour:

(B) Number of stripe 1 blocks = 1

100g mini skeins needed for stripe 1 = (B) = 1

Your stripe 2 colour:

(C) Number of stripe 2 blocks = 1

100g mini skeins needed for stripe 2 = (C) = 1

Your stripe 3 colour:

(D) Number of stripe 3 blocks = 1

100g mini skeins needed for stripe 3 = (D) = 1

Your stripe 4 colour:

(E) Number of stripe 4 blocks = 1

100g mini skeins needed for stripe 4 = (E) = 1

Your stripe 5 colour:

(F) Number of stripe 5 blocks = 1

100g mini skeins needed for stripe 5 = (F) = 1

Your stripe 6 colour:

(G) Number of stripe 6 blocks = 1

100g mini skeins needed for stripe 6 = (G) = 1

Your stripe 7 colour:

(H) Number of stripe 7 blocks = 1

100g mini skeins needed for stripe 7 = (H) = 1

Your stripe 8 colour:

(I) Number of stripe 8 blocks = 1

100g mini skeins needed for stripe 8 = (I) = 1

Your stripe 9 colour:

(J) Number of stripe 9 blocks = 1

100g mini skeins needed for stripe 9 = (J) = 1

Your stripe 10 colour:

(K) Number of stripe 10 blocks = 1

100g mini skeins needed for stripe 10 = (K) = 1

Your stripe 11 colour:

(L) Number of stripe 11 blocks = 1

100g mini skeins needed for stripe 11 = (L) = 1

Your stripe 12 colour:

(L) Number of stripe 12 blocks = 1

100g mini skeins needed for stripe 12 = (L) = 1
